4 A156-13 Washer Spring										Bulk 02 5 ea.									
5 8AN935-8L Lock Washer										Bulk 02 9 ea.									

INVENTORY SCHEDULE CERTIFICATE

The undersigned, individually and as an authorized representative of the Contractor, certifies that he has examined this Inventory Schedule, page numbers 1 to 7 inclusive, dated 17 July 1958, and that in the exercise of his best judgment and to the best of his knowledge, based upon information believed by him to be reliable, said Schedule has been prepared in accordance with applicable instructions; that the inventory described therein is allocable to the designated contract and is located at the places specified; if the property reported therein is termination inventory, that the quantities are not in excess of the reasonable quantitative requirements of the terminated portion of the contract; that said Schedule does not include any items reasonably usable, without loss to the Contractor, on his other work; that the costs shown on such Schedules are in accordance with the Contractor's books of account; and that the prices shown in column g; representing the proceeds of authorized sale of the items covered thereby, are fair and reasonable.

The Contractor agrees to inform the Contracting Officer of any substantial change in the status of the inventory shown in this Schedule between the date hereof and the final disposition of such inventory.

Subject to any authorized prior disposition, title to the inventory listed in this Schedule is hereby tendered to the Government and is warranted to be free and clear of all liens and encumbrances.
